I'm including my EA Kat to help us.

Kat: I'd like to do a 50k sponsorship for this. Can you ask Scott which account it should come from?

Subject: Guarantee to cover shortfall of fundraising for upcoming Conference
To: Stuart Hameroff <stu.hameroff@gmail.com>

Hello all,

I understand fundraising estimated at \$200,000 is underway for the upcoming Science of Consciousness conference to be held in San Diego this year. In the event that the funds raised are less than \$200,000 I will cover any shortfall so that the total funds raised meets the \$200,000 target.

Sincerely,

Eugene Jhong

Great I'll be there! Let me ask Harpoon Ventures (who are San diego based and my old backed if they want to sponsor).

Wonderful to hear! Glad you didn't give up on this.

I will discuss this with Josh (CCed) on Monday.
