General Terms and Conditions

These General Terms and Conditions ("Terms") apply to and govern the provision of equipment, labor and services by Pinnacle Live, LLC ("Pinnacle Live", "us" or "we") to the customer ("Customer" or "you") as set forth in the attached or referenced Scope of Work and/or similar order document(s) (individually or collectively the "Scope of Work"). The Scope of Work, any approved change order and these Terms constitute the entire agreement (the "Agreement") between the Customer and Pinnacle Live with respect to the subject matter in the Scope of Work.

The Scope of Work, including any pricing, discounting, and concessions set forth therein, is valid for thirty (30) days from the print date set forth on the Scope of Work. All prices and availability are subject to change without notice until this Agreement is accepted and signed, and any required deposit is received. Until such time, all equipment reservations, and the scheduling of required technical personnel are on a tentative basis only.

These Terms include certain provisions directed at Exhibitors that only apply to you if you are an Exhibitor. You are an "Exhibitor" if you are renting a booth or space at an exhibition, tradeshow, forum or similar event to display your product(s) and/or service(s). If you are unsure whether this definition applies to you, please contact your Pinnacle Live representative to confirm.

If you are uncertain of your requirements or for any changes, speak with our Venue Director, Sales Director, or Sales Manager. We can assist with estimating your labor and equipment needs for your event.

Customer agrees to pay for the charges for equipment ("Equipment"), labor ("Labor") and services ("Services") set forth in the Scope of Work, subject to these Terms.

Acceptance

1. Customer must review, sign and return these Terms prior to Pinnacle Live providing any Equipment, Labor or Services.
2. Adjustments to the Scope of Work may be made prior to delivery of the Equipment and/or Services, provided that any necessary labor and equipment are available to accommodate your request.

Labor Rates

1. Labor costs included in the Scope of Work ("Labor Costs") are estimates only. The total Labor Costs will depend on the actual number of hours worked, including any applicable overtime, which we will bill to you at prevailing rates.
2. A standard workday for our staff is eight (8) hours per day. After the first eight (8) hours, overtime rates go into effect at one and one-half (1.5) times the regular rates of pay.
3. If an event continues until after midnight, any hours worked after midnight for the same event shall be considered part of the previous calendar day for purposes of calculating hours and overtime applicability.
4. All labor between the hours of 12:01 AM and 6:00 AM will be billed at two (2) times the prevailing rate regardless of the number of hours worked.
5. Pinnacle Live Labor must have at least eight consecutive hours off between each shift or Labor will be charged at 1.5 times the prevailing rate beginning at hour one of the subsequent shifts.
6. On federal and state holidays, labor rates are two times the regular rates of pay.
7. Meal Periods: Operators require a 1 hour paid break period for every 5 hours of consecutive work. Should this requirement not be met, a meal penalty of two (2) times the prevailing rate will be applied to each position, and the client must supply Hotel prepared meals for the crew. Operators are not permitted to eat at their stations and, therefore, a minimum of 30 minutes should be allotted to allow operators to step away.

Equipment Rates

1. Customer agrees to pay to Pinnacle Live the rental fee for the Equipment during the rental period specified in the Scope of Work ("Rental Fee"). The Rental Fee is calculated in full-day increments based on the rental rate for each piece of Equipment per calendar day.
2. Additional charges may apply if your actual rental period exceeds the number of days identified in the Scope of Work.
3. A single event that continues until after midnight into the following calendar day may be considered a single day for purposes of calculating the Rental Fee only if provided in the Scope of Work or otherwise in writing by us.

Technology Support Fee

If a technology support fee is included in the Scope of Work, then the terms of this paragraph shall apply. A technology support fee allows Pinnacle Live to provide the necessary support required to help make your meeting or event successful, including pre-program planning and preparation, on-site support, coordination with our hotel partners and more. The entire fee helps cover our administrative costs and is not a gratuity in whole or part to employees of Pinnacle Live or any other party.

1. Pinnacle Live retains all title and rights to Equipment and accessories, and Customer shall ensure that no liens, claims or encumbrances are attached or placed on any Equipment.
2. After such time, Customer is deemed to have inspected and tested the Equipment and agrees to have received the Equipment in good operating condition.
3. Customer agrees to allow Pinnacle Live access to the Equipment, and to each location under Customer's control where the Equipment is located at any time, for the purpose of implementation, service and/or removal.

6. If you are providing a personal computer or other equipment that will be used for presentation purposes during your event, the computer or other equipment should be tested with the Equipment in advance to ensure compatibility. Please be sure you are familiar with the operation of your computer or other equipment, as well as any associated software. You are responsible for the setting up and removal of such equipment.
7. We strongly recommend the use of surge protectors for all computers and equipment provided by Customer.

7. If you wish to showcase your wireless products, you must contact Pinnacle Live at least fourteen (14) days prior to the start of the event so that we may attempt (but do not guarantee) to engineer a cohesive operating network that limits or controls interference. Approvals may incur a site survey fee.

Transmission of any materials in violation of any local, state or federal laws or regulations is prohibited including, not limited to, trade secret materials, copyrighted materials, materials that are threatening or obscene.
9. Wireless internet service is vulnerable to interference or disruption from other devices that may impact the service provided to Customer.
