Following the poems, attendees offer one or more verses of the Zombie Blues with musical accompaniment by **THE ATOMIC GADGETS**

The original souless lament:

"I act like you act, I do what you do, but I don't know what its like to be you.
What consciousness is... I ain't got a clue....I got the Zombie Blues

ADD YOUR OWN VERSES.....

You are all invited to write your own verse to the Zombie Blues and to have the stage for a 3-minute gig - sign the message board at the registration desk and let us know by Fri morning if you wish to perform.
